Carrier Notification

Date: June 22, 2006
To: Competitive Local Exchange Carriers (CLECs)
Subject: OSS

CenturyTel will implement the following changes to the Local Service Request Ordering Process.

Description of the Change

Effective June 30, 2006, CenturyTel will have available email notification to carriers utilizing our Web-based ordering system for updates to orders entered into the system. These notifications will provide updates on your order status. More details regarding the status of the order will be available at that time by logging in to the CenturyTel order processing Web site using your login and password.

If you would like to sign up to receive these email notices, please complete the attached form, including your contact information and an email address(es) to which CenturyTel can provide this information. CenturyTel suggests that you provide a distribution email address that provides for multiple receivers of the notice, if available.

Please email your contact information via the attached form to the following address: centurytel.clec@centurytel.com by no later than June 28 in order to begin receiving these notices by June 30. If you have any questions please call CenturyTel Customer Service 1-888-477-1747.

Effective date of change: June 30, 2006
